7 JULY 1947

To

SYED ABDUL ALEEM, ESQ , B A ,
Secretary to Government,
Revenue Department, Bangalore.

Sir,

With reference to Government Order No P W 8212-6/E S T 1-46-56 dated the 2nd June 1947 communicated to this office with Chief Engineer's (Irrigation) memo No 9017-22 E dated 18-6-1947, approving among others the promotion of Mr N Venkoba Rao, Senior Overseer of this office as Sub Engineer, I have the honour to state that the Land Acquisition Officer attached to the Trust Board brought to notice that the services of Mr N Venkoba Rao might be continued in the Trust Board Office even after his promotion as Sub Engineer as he was aware of the Scheme relating to Dobspet--Upparahalli and had attended to the connected Declaration statements The Chief Engineer for Irrigation was accordingly addressed in this office letter No 3270 dated the 19th June 1947 to retain Mr Venkoba Rao in this office and he was intimated that sanction of Government would be obtained to retain the services of Mr Venkoba Rao, now Sub Engineer, against the place of an Overseer sanctioned to this office The Chief Engineer for Irrigation was also requested to continue Mr Venkoba Rao pending orders of Government in the matter. The matter was also placed before the Board at its meeting held on 28-6-1947, when it was resolved

"That the Chief Engineer be requested to retain Mr Venkoba Rao in the Trust Board, even after his promotion as Sub Engineer in the

in the circumstances explained by the Chairman and that a recommendation be made to Government accordingly as in the present sanctioned scale of establishment, there was no place for a Sub Engineer in the Trust Board."

2 In these circumstances, I request that sanction of Government may kindly be obtained to continue Mr Venkoba Rao, Sub Engineer in this office with necessary conveyance allowance attached to the post of a Sub Engineer against the post of an Overseer sanctioned to this office and in which place he was hitherto working.

3 In this connection, I may say that this proposal will not very materially affect the expenditure under "Salary" as the minimum pay of a Sub ~~Xxxx~~ Engineer and the maximum pay of an Overseer are the same

I request the favour of early orders.

I have the honour to be,
S i r,
Your most obedient servant,

C V Narasimhaiah
